

[EXECUTIVE SUMMARY]

Multi-disciplinary Creative Developer & UI/UX Designer with **4+ years of commercial experience** bridging high-concept visual art with robust engineering. Proven capability in architecting bespoke web platforms (Astro, Next.js, Webflow), immersive micro-interactions (GSAP, WebGL, Web Audio), and high-velocity digital branding sprints for global agencies, social enterprises, and e-commerce leaders.

[CORE COMPETENCIES]

ENGINEERING & ARCHITECTURE

Astro, Next.js, TypeScript, JavaScript (ESNext), GSAP Motion, Canvas API, Web Audio API, Responsive CSS/SCSS, Git, Node.js.

INTERFACE & SYSTEM DESIGN

Figma, Design Tokens, Design Systems, Mobile-First UX, Rapid Wireframing, WCAG Accessibility, Micro-interactions.

NO-CODE / LOW-CODE VELOCITY

Webflow CMS & Interactions, Wix Studio, Client Co-Design, Custom Code Embeds, Domain & SSL Deployment.

MOTION, MEDIA & ART

DaVinci Resolve, Video Editing, Motion Graphics, Procreate Digital Illustration, Anime Concept Art.

[WORK PHILOSOPHY]

- **7-Day Sprints:** Focused cycle from kickoff to production launch with daily transparency.
- **0kB Bloat:** Preference for native browser APIs over heavyweight dependencies.
- **Taste-First:** Brutalist typography and balanced editorial art direction.

[PROFESSIONAL EXPERIENCE]

MINERVA INFOTECH

2024

Creative Developer & Video Producer

Engineered custom frontend landing pages and high-impact motion collaterals. Accelerated client delivery cycles by 30% through modular component architecture and interactive micro-animations.

NETSCRIBES INDIA (CLIENT: AJIO)

2024

Creative Specialist • Digital Art Consultant

Spearheaded design of high-volume digital campaign collaterals and catalog assets for enterprise e-commerce (AJIO). Maintained 100% brand consistency under tight sprint deadlines.

WORLD MARK FOUNDATION

2021 – PRESENT

Lead Web & UI/UX Designer

Architected and deployed accessible Webflow digital ecosystem for non-profit initiatives, resulting in record donor clarity, responsive mobile access, and international reach.

FREELANCE DIGITAL NOMAD

2021 – PRESENT

Independent Creative Technologist & Designer

Partnered with global creators and brands to deliver bespoke digital web experiences, custom interactive calculators, 3D presentations, and visual identity systems.

[SELECTED PORTFOLIO HIGHLIGHTS]

- **Nest Services:** Corporate platform with live pricing estimator
- **Saffron & Sage:** Organic culinary editorial brand system
- **Demon Slayer Studies:** Custom Procreate hand-drawn anime collection
- **Humlya & PetFirst:** E-commerce & veterinary care concepts
